Notice of Attachment

June 29, 2012

Judge S. Thomas Anderson,

I Abka Re Bey a Moorish American natural in Propria Persona not to be confused with Pro Se.

In the receipt of your letter Order Granting the Forma Pauperis.

I would like to address what took place on June 26th, 2012

at my house. Around 11:30 am or so I Abka Re Bey and Unas Sebkhet Re ET received a call from one

of our friends down the street urging that we get outside and see who the European Invaders were in front of our home. Instantly we

went outside, I was surprised to see Kim Fisher, Marvin Fisher's wife and another woman who I found out

later was indeed Catherine Carter
The woman I already have a
suit against. We approached the
two and made them aware that
this was a federal matter and that
it could only be decided by you

Judge S. Thomas Anderson in a Article
III court, but they insist on having
Superior Jurisdiction in the matter.

Kim Fisher stated they were waiting
on the arrival of the Memphis
Police Department to help force
obligation and injury on myself as
well as my family. So I went inside
and called 911 and asked if I
could get a Sheriff out to assist
me with this constitutional matter.

A few minutes later a man pulled
up in some type of SUV with 2
other men and a boy around 12
years old. The man approached. Unas
and I, and at that time we began
to give our status, show legal notice of Removal,
and the clerk's stamp received. I asked

if he was a Sheriff and he did inform us that he was, W. Chism Sheriff; only to find out later he had lied and was the Shelby County Processor. We spoke and stated that this is in Federal jurisdiction and anyone acting on that note would be in direct violation of our secured rights. W. Chism with no Delegation of Authority Order in Federal venue or over my self a natural born flesh and Blood being. W. Chism seemed unclear on what to do so he called a woman M.S. Davis and spoke with her and I'm guessing she gave him the OK on his behalf that made him say the judge did not sign off on your file, that it has to be signed by the judge and stamped by the clerk. By that time officer Lenard N. Bowens came out and we spoke with him in the same manner, also stating status and showing him as well the Legal Notice of Removal along with my case.

#12cv02477

Officer Bowens then stated on camera that it was a Federal case and they could not make that judgement, it's a civil matter. More officers came T. Atkins and S. Rubb who was assisting also letting us know they could not make the call and all officers would await for the Supervisor Lu W. Roffard to have final say so. Lu W. Roffard came, we spoke with him and stated status and tried to tell him of the case in Federal court, but Lu W. Roffard one who doesn't have a delegation of Authority either, acting unlawfully under Color of Authority Colorable of Law a violation of my secured birthrights that I inherited; land, National Written Constitution, flag, + Seal. Lu W. Roffard had spoken with officers then let us know they were here to "keep peace" so in other words that gave the OK for them to proceed. They then began in an instant popping the locks off of the doors were my children were

W.Chism screaming "Get Out
Get Out" This was an Act of War
by Diversity of Citizenship.
Under duress, coercion and threat
that we were to stand here and
watch as our home was being
ripped apart and shattered on side
of the street, my babies, food was
slung around in their blankets all
on the side walk my children crying
in despair and shock of not fully
understanding every thing that's
going on. Totally Discombobulated
We didn't know what to do but sit
here and watch as everyone crowded
around looking and laughing along
with Catherine Carter and the other
people that assisted them in the
wait for our home. This was a disgrace
to me, my family, federal court and
other indigenous people World Wide
Could you imagine what that felt like?
I couldn't help my children, while
they took out everything bit by bit

#12cv02477

While Catherine, Kim, their friends and a male I do believe was her husband taunting and grinning about how rich they were. My things are destroyed and my dogs are gone. We have to start over, I had to give away a lot of things just to save the lit we had, forced out on the streets with nothing but my family but that's fine. We have no money, no food, no clothing in and out of hotels. With 16 children, we have no where to go. It's kinda like living out of our car. The night ended with Catherine Carter and her crew ~~then~~ began walking inside with the Processor W. Chism as their escort boarding all the windows and doors. Calling more Police to make us leave even faster. Outside 100° degree weather, no food, no pampers, and no clue what to do next, my baby, my kids and I laying on the ground in shock dazed and confused. Thrown out like dogs only worse. No respect for my children, no remorse for human life or District Court with your signature of acceptance for the
